HOMECOMING QUEEN AND COURT 1965

October was filled with memorable events—among these, the spirited move of the library from Knutti Hall to the spacious new building. For the Reverend Jahn Link, '04 and his wife, '07, the day was filled with memories of the first move from McMurren Hall to the "elegant" quarters in the new administrative and classroom building, Knutti Hall. Carrying the same books which were a part of their load on that historic day in 1904, they led the procession to the new building.

For the 1966 students, October 28 was a day from which memories are made. Students, faculty, and administration worked together. They lifted and carried boxes; then they puffed back up the hill for more; they stopped at the Center to stay wind-sharpened appetites with cider, hot chocolate, coffee, and cookies; and by dusk the Shepherd library was in its new home. It opened for business as usual the next morning. SCHOOL SPIRIT MOVED THE LIBRARY.

FOOTBALL

The Shepherd College Rams finished the 1965-66 season with a 2-5 record. The Rams lacked the experience and depth needed to produce a winning combination against an established opposition. The season was highlighted by a victorious performance over Bridge-water in the first annual Civitan Bowl under the lights in Martinsburg. Pat Ruda was named Outstanding Back of the game. Ron Dickerson and Earl Batten were named to the Mason-Dixon ALL-CONFERENCE first team. With only two retiring seniors, a score of freshmen, and some new recruits, this young Ram squad is the building block for future conference conflicts. The newly groomed grid-iron should produce many surprises in the '66-'67 season.

BLAZED IN DECEMBER

JANUARY ARRIVED

Folk singer Eugene Jemison lifts snow-frozen spirits.

Even the SCA moved into a new field—Vietnam Teach-In drew a capacity crowd with speakers: Mr. Hofer, Mr. Collins, Dr. Mehrling, Stephen Eckerd, John Funk, George Collis, Gordon Switzer, and moderator Jim St. Clair.

"1966"—**That Was the Year** that old man winter surpassed himself on this campus. The winter of '60-'61 was still in the history books as one of the worst of all times. **That** February 3 was the beginning of a snow which built up to three and a half feet. The college doors, however, remained open and a constant radio announcement blared out, "All public schools in the area are closed along with most industries. Shepherd College will remain in session."

In '66 while snow fell and public school students listened attentively for the familiar "no school tomorrow" announcement, Shepherd students moped drearily, dreading facing the snow-clogged highways. "Shepherd close for a little thing like a blizzard! Don't be silly!"

And then a sudden announcement paralyzed Shepherd students. "President Ikenberry has announced that Shepherd College will not hold classes tomorrow. Repeat, Shepherd College will be closed tomorrow." It had finally happened. The holiday lasted three days.

Walking by Reynolds Hall on a snowy afternoon.

The snow, the snow, the lovely lovely snow brought a lovely holiday.

ON A NEW NOTE

School's out, and winter fun begins.

Well, vacation was fun while it lasted.

With school closed, there was no business in White Hall.

Snow is a lovely blanket of white. Covering the campus both day and night, day and night

Even the birds were snowed in.

And the digging out began.

The Shepherd College Rams closed the 1965-66 season with a 13-12 record. The Rams, with a well-balanced attack, proved to be a potential powerhouse in conference competition. On February 16, 1966, the Rams broke a post-season tourney losing streak by defeating Alderson-Broadbudd before a capacity crowd. A third place trophy was the eventual outcome of the WVIAC Tourney in which the Rams battled all odds and easily won the respect they deserved. Gary Phalen played outstanding ball throughout the season, setting a new school rebounding record while averaging nearly 20 points per game and was a mainstay in tournament competition. He was selected to the ALL WVIAC first team and ALL TOURNAMENT first team. The entire team returns to the Shepherd hardwood next year with the support of Bill Thompson, another Shepherd standout. The Shepherd Rams will be ready to meet all competition in the year to come.

Back row—Coach Erwin G. Fieger, Ron Fronk, Bill Valentine, Jon Everett, Paul Long, Bruce Boyer, Ray Sheldan, Daug Haad.

SWIMMING

The West Virginia Conference championship has returned to the Shepherd College campus. Coach Erwin Fieger's tankmen made this the fourth consecutive championship, five in the last six years. The team was young, but the quality was higher than ever before as records fell at a steady pace. A fine showing was made in the first Mason-Dixon championship meet as the Rams placed 6th against high caliber competition. A midseason circulating pump failure nearly forced the swim team into retirement but with several YMCA practice sessions, the Rams continued on their winning way.

The regular season ended at an 8-3 mark. Bruce Boyer, a freshman standout, ended the season with a total of 132 points to pace the Rams in scoring. This was a hard-working, well-balanced team with depth, truly worthy of "the greatest swim team in the history of swimming at Shepherd."

"Shepherd Students Succeed" and some receive national recognition. In 1965-66 our national scholars were Jone Rissler and Stephen Eckerd.

Miss Rissler, a senior majoring in secondary education and daughter of Mr. and Mrs. Lewis Rissler of Charles Town, was awarded a National Science Foundation Traineeship at West Virginia University. Her areas of concentration are biology, mathematics and chemistry as background for graduate work in biology.

Miss Rissler, a four-point in-state student, was elected a McMurrin Scholar for her outstanding scholarship. She was a leader in Student Senate, Kappa Delta Pi, Beta Beta Beta, and Turner Hall Residence Hall Association.

Stephen Eckerd, one of the four West Virginia students receiving a Woodrow Wilson Fellowship, is a political science major and son of Mr. and Mrs. John Eckerd of Hedgesville. Mr. Eckerd, also interested in art and drama, was active in Alpha Psi Omega, the Nonce Strollers, the College Center Board and the I.R.C. The Woodrow Wilson Fellowship Committee has deferred Mr. Eckerd's fellowship to enable him to complete two years with the Peace Corps.

BASEBALL

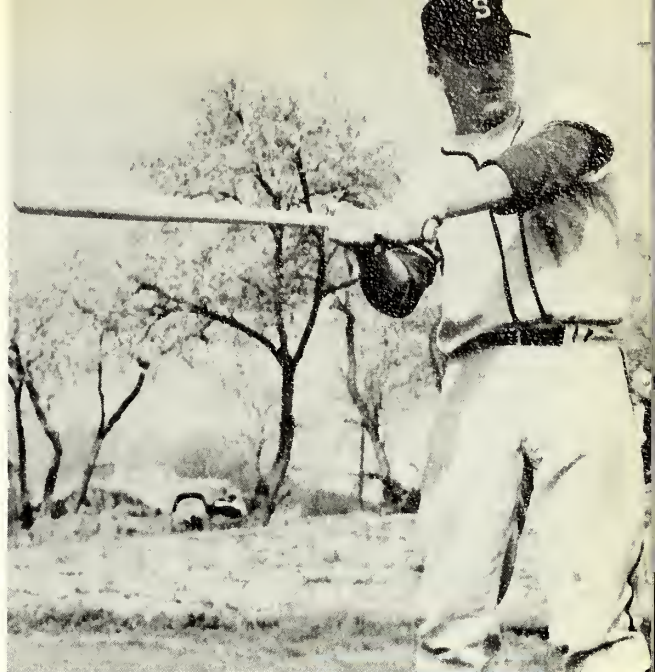

Coach Carl Hartman's baseball squad registered a 4-3 mark for the season. The club posted a .259 batting average compared with .249 by the opposition. "April Showers" forced two games to be cancelled from the schedule and frequent postponing of others. With the infrequency of play, the Rams could not generate a consistent attack and lost the close ones. The offensive attack was well-balanced with Roland Hamilton heading the batting average totals with .414 for 29 at bats. The RBI lead was shared by Leo Duncan and Larry Cain, each with six. With only one senior on the squad this year, the Rams will field a young and experienced team to face a full schedule of conference competitors in '67.

Roland Hamilton posted a lofty .414 batting average to lead the Rams at the plate.

**"IT'S OVER—
LET IT GO"**

September, October, November, December, January, February, March, April, and May—"That Was the Year that Was." It proved the most fascinating challenge which any yearbook staff of which I've been a part at Shepherd has had to face. Although a few persons fell by the wayside, the staff fulfilled my highest expectations and remained loyal and patient in spite of the frustrations of deadline pressures, picture failures, and my barked orders.

All I can now say is "Thanks to the weatherman and all of the human elements—our teams, our students, and our faculty—we were provided with the material we needed to make 1966 come alive!"

Dolly Gauggel
